

# PAKISTAN MARBLE

**TRADE DEVELOPMENT AUTHORITY  
OF PAKISTAN**

# TDAP INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets.

TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions, trade delegations, conducts seminars and organizes

contacts and information exchange events both physically as well on digital platforms.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

## PRODUCT PROFILE

**Marble, Onyx and Granite** belong to the category of building stones widely known as **Dimension Stone**. These are natural stones which can be shaped in form of **blocks, slabs, tiles**, etc and are mostly used for monumental and decorative purposes since antiquity; various civilizations have used dimension stone in many ancient buildings and monuments that have survived to the present day.

Although numerous varieties of igneous, metamorphic and sedimentary rocks are used as dimension stone, the principal rock types used are **Granite, Limestone, Marble, Sandstone and Slate**.
